Introduction

I'm a full-stack web developer with expertise. Recently, I interned at Webticari.net, contributing to a web-based ERP project. Currently, I'm devoloping my Stock Portfolio project with React.js and Laravel.

Skills

Programming Languages: HTML, CSS, JavaScript, PHP, SQL, C#, C++
Frameworks & Libraries: Bootstrap, jQuery, React.js, Laravel
Tools & Technologies: Unity 2D-3D, Eloquent, Git

Work Experience

Full stack Web Dev. Intern, Webticari.net – Yalova, TR   August 2023 – December 2023

Webticari is a web-based ERP project. My responsibilities were;

- Debugged and resolved software issues.
- Developed new modules with a focus on mobile responsiveness.
- Used JavaScript to fetch PHP files with the appropriate CSS classes.
- Wrote SQL queries in PHP to fill tables and charts.
